

Revox speakers

True studio sound quality

Revox Inceiling I82

Size is not an issue for the Revox Inceiling I82. Whether it is deployed in small or large rooms, in either case, it is ideally suited to produce a discrete but high quality sound. Full bass, high load capacity and an increased efficiency factor are amongst its strengths. And thanks to the optional fitted housing, its sound characteristics can be further optimised. Giving you music enjoyment without needing to make compromises.
