

Revox

True studio sound quality

Revox Joy CD Player

Insert and enjoy – the CD has been the epitome of high quality and, in particular, convenient music enjoyment for more than three decades. Use the new Joy CD Player for the greatest ease. We've added a compact, stylish and technically sophisticated element to the Joy family especially for this medium. The CD player is connected to the CD link of the Joy Receiver with a single cable, after which you can operate it using the remote control or the Joy app for ultimate convenience.
