REVOX B77 MK III STEREO TAPE RECORDER

ALICE COOPER - LIMITED EDITION

ANALOG EXTRA CLASS

The B77 MK III is the symbol of the successful return of analog audio enjoyment and sets new standards for outstanding sound fidelity as well as an innovative and sustainable design. Handmade in the Revox factory in Villingen.

In a special collaboration with Alice Cooper, Revox has designed twentyfive extraordinary B77 MK III tape machines in the unique Alice Cooper look. Each piece is signed and numbered by Alice Cooper himself.

FROM RECORDING STUDIO TO LIVING ROOM

This exclusive edition is aimed at music lovers who are looking for the best of both worlds and something unique - the incomparable sound quality of Revox and the musical magic of Alice Cooper. The Limited Edition allows you to experience the original studio sound of Alice Cooper in your own living room.

Included in delivery:

An exclusive master tape of the Alice Cooper EP: "The Sound of A", a matching blank reel in "The Sound of A" look, previously unpublished photos, exclusively designed NAB adapters and, as an incomparable highlight, a Meet & Greet with Alice Cooper.

25 PIECES WORLDWIDE
